### Pre-Hospital Fibrinolysis Guidelines Working Party

These guidelines were initiated and endorsed by the New Zealand Regional Committee of the Cardiac Society of Australia and New Zealand. Roche Products (New Zealand) Limited provided financial support for two meetings of the Working Party, but the guidelines were developed independently of pharmaceutical industry funding. The members of the Working Party are:

- Sandy Dawson, Clinical Advisor, Ministry of Health, Wellington.
- Marg Eckhoff, Rural Nurse, Roxburgh.
- Dr Sharon Kletchko, Emergency Medicine Specialist, Tauranga Hospital, Tauranga.
- Dr Laura Lambie, Clinical Advisor, Ministry of Health, Wellington.
- Dr Glen Marriott, General Practitioner, Coromandel.
- Margaret Mohammed, Wellington.
- Dr Gary Nixon, Dunstan Hospital, Clyde.
- Dr Chris Nunn, Cardiologist, Waikato Hospital, Hamilton.
- Dr Keri Ratima, Senior Advisor, Maori Health, National Health Committee, Ministry of Health, Wellington.
- Honorary Professor Harvey White (Chairman) Cardiologist, Auckland City Hospital, Auckland.

None of the Working Party members has any conflict of interest in connection with this work.
